Important Information

It is often helpful if you are able to continue supporting your recipient for a short while after they return home to assist them as they settle back into Australia. They will be in touch with you to advise what their future plans are and if they still require financial support.

Direct Debits and Credit Card charges will continue until the recipient completes their service. This is three months after they leave their field. We continue to forward to OMer's any support they receive.

You may cancel this authority at any time by contacting us in writing or by email.

A Service Agreement for Direct Debit and Credit Card can be found on our website at www.om.org.au

If you wish to change your details a new form can be downloaded from the website.

Please keep a copy of this form for your personal records.
