Neil Cummings
NATIONAL DIRECTOR

In 2018, it was our privilege again as an office to send more people and resources to support the work of world mission so that the message of God's love could be shared with those who have not yet heard.

Scripture reminds us that, "Of whom much is given, much is required," (Luke 12:48) and once again this year we have seen churches in Australia partner with us to embrace the needs – both physical and spiritual – of people around the globe. God is still calling individuals to leave their homes in Australia to take the good news of Christ to people from every tongue, tribe and nation. We are excited to continue working with the body of Christ in Australia to enable that to happen.

We are so thankful to God for the generous financial support for OM Australia and for our Aussie workers, which makes our ministry possible. As a mission, we value your ongoing prayers and financial support for our work, *until all have heard of His fame and His renown.*
